|  |
|--|
|  |
|  |
|  |
|  |
|  |

(C) Which symbol will you get on the screen while executing the statement INPUT P? (1)

|  |
|--|
|  |
|  |
|  |

(D) What are input devices? Write the names of any two input devices. (2)

|  |
|--|
|  |
|  |
|  |

(E) What are the two types of computer memories? (1)

|  |
|--|
|  |
|  |
|  |
|  |

(F) Give two examples of secondary storage devices.

(1)

|  |
|--|
|  |
|  |
|  |
|  |

(G) What is page formatting

(1)

|  |
|--|
|  |
|  |
|  |
|  |
|  |

(H) What does orientation refer to? What is the difference between portrait and landscape orientation?

(2)

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

(I) How are *paragraph marks* useful, and under which tab do you find this option?

(2)

|  |
|--|
|  |
|  |
|  |
|  |
|  |

(J) Differentiate between the **Borders** tab and the **Shading** tab in the **Borders and Shading** dialog box.

(1)

|  |
|--|
|  |
|  |
|  |
|  |
|  |

(K) How can we insert a row in a table?

(1)

|  |
|--|
|  |
|  |
|  |
|  |
|  |
|  |

(L) Define the following :

(4)

|                         |
|-------------------------|
| 1. Page orientation     |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
| 2. Computer peripherals |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
| 3. Paragraph spacing    |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |
| 4. Line Spacing         |
|                         |
|                         |
|                         |
|                         |
|                         |
|                         |

Q-2 Fill in the blanks.

(5)

1. FirstName\$ is a \_\_\_\_\_ variable.
